

Illinois Lottery Fast Play Fact Sheet

About Fast Play

- Fast Play is the newest and fastest way to play the Illinois Lottery.
- The new game launches the final week of Sept. 2020.
- Fast Play is the first new Illinois Lottery game in nearly eight years.
- Fast Play games are quick and easy to play — no numbers to pick, no scratching, no waiting. Players just pick a game, print the ticket and see if they've won — it's that fast!
- With an immediate draw, players find out then and there if they're a winner!

How to play

- Players can purchase the draw game through an Illinois Lottery Terminal or Lottery vending machines, wherever the Illinois Lottery is sold.
- There are four games available with different ways to play and win. Two games offer fixed top prizes and two offer progressive jackpots that grow every two minutes.

Name	Piggy Bank Bucks	Hot Dice	Blackjack	Illinois Jackpot
Price Point	\$1	\$5	\$5	\$10
Top Prize	\$5,000	\$10,000	Starting at \$10,000	Starting at \$20,000

How to win

- Players follow the instructions printed on their ticket to find out if they've won.
- Each Fast Play ticket has a scannable barcode. Players can scan the ticket at the terminal, at an Illinois Lottery vending machine, or with the Illinois Lottery app to confirm if it's a winner.

Funding K-12 education across Illinois

- Teachers and students today are facing a very different school year than ever before. Games like Fast Play help the Illinois Lottery generate essential funding for education across the state of Illinois.
- Thanks to Illinois Lottery players, every year hundreds of millions of dollars are returned to the Common School Fund to support K-12 education statewide
