The Illinois Lottery – Private Management Current Status

The Lottery, Northstar Lottery Group, LLC (“Northstar”), GTECH (IGT), and Scientific Games International entered into a Letter Agreement of Termination on September 18, 2015. Northstar and its key suppliers continued to provide lottery services until a replacement manager and its suppliers were in place.

In compliance with the Illinois Lottery Law, Governor Rauner and the Illinois Lottery on July 28, 2016, announced the release of a Request for Proposal (“RFP”) for a new private management partner. The replacement manager will share the Lottery’s goals of increasing profits to the State, responsibly broadening its player base, introducing new technology and innovation, and ensuring responsiveness to public needs and concerns.

The Lottery received one RFP response from Camelot Illinois, and held a public hearing on Camelot’s bid on Aug. 14, 2017, in Chicago. The Lottery awarded Camelot the private management contract through a Notice of Award published Sept. 22, 2017.

As of January 2018, the transition from Northstar to Camelot as private manager is complete.

Responsible Gaming

The Illinois Lottery is proud to engage in a responsible gaming program to ensure revenues are raised in a socially responsible manner. In Quarter 1, the Lottery placed print and digital advertising throughout the State with the message: “You’re a Winner?! Well, Then We Must Have Your Autograph,” reminding players that the first step to claiming a prize is signing the back of their winning ticket.

The Illinois Lottery maintains membership and support of the Illinois Alliance on Problem Gambling, National Council on Problem Gambling, and the World Lottery Association. The Lottery’s commitment to responsible gaming also includes providing funds for the Gambling Hotline (1-800-GAMBLER).
