Camelot Illinois will not be liable for any costs incurred by any company in connection with the preparation of a response to this RFP, or for any costs incurred for attendance at meetings, presentations, clarifications or demonstrations.

The numbering of this RFP is an important aid in the evaluation process. Please utilize it within Vendor's Proposal, as this may affect Camelot Illinois's evaluation of it.

Vendors may not take advantage of any apparent error or omission in this RFP. In the event that any errors or omissions are discovered, a Vendor shall notify Camelot Illinois immediately.

Please provide complete and accurate information against the specifications contained within this RFP. If Vendor is unable to meet any requirements, then this should be clearly noted in the appropriate response section(s). Any assumptions within Vendor's Proposal should be clearly stated.

Any commitment made in a Proposal will be binding on the applicable Vendor. A commitment includes any guarantee or representation made in the Proposal, accompanying documentation or subsequent negotiation.

Such information will be available to the public in accordance with State Policies and Rules. The failure to designate any materials as “proprietary and confidential” at

the time of delivery of such information to Camelot Illinois does not prohibit the Vendor from subsequently designating any information as proprietary and confidential. However, this designation does not necessarily exempt such information from disclosure under the Freedom of Information Act, 5 ILCS 140/1 *et seq.*

3.6 Terms and Conditions

Vendors should note that any contract award will also be subject to Camelot Illinois’ terms and conditions.

Camelot Illinois operates within a regulated environment, and it is a requirement of the PMA that Suppliers be vetted or approved by the State regulator in advance. Accordingly, the prospective Supplier must complete State disclosure and certification documents, located at <https://ipg.vendorreg.com/>. For further information about this requirement, please email procurement-services@camelotillinois.com.

The PMA requires Camelot Illinois to pass through various non-negotiable provisions to all Suppliers. Camelot Illinois will achieve this by including a separate exhibit of the Incorporated Terms” in the Supplier’s contract. The Incorporated Terms will take priority over any conflicting term in the rest of the contract. Refer to Appendix A of this RFP for the Incorporated Terms.

From the time this RFP is issued until the end of the contract term, the Supplier represents and warrants that it shall neither (i) be debarred or prohibited from doing business with the State of Illinois for any reason; nor (ii) likely to have a material and/or adverse effect on the interests of the Illinois Lottery.

Camelot Illinois is looking to establish a contract for an initial term of five (5) years, subject to the Supplier’s performance and Camelot Illinois’s evolving requirements and strategy.

3.7 Validity of Proposal

Proposals shall be binding offers, binding for a period of ninety (90) days from the date the Proposal is submitted.

Where necessary, Vendors may supplement responses with additional material but should ensure that the material focuses on the information requested and references the section for which it applies. (Camelot Illinois may be unable to search through generic material in an attempt to find relevant information).

If the Vendor must exclude some requirements from its Proposal, this should be accompanied by a clear statement of which items are excluded and the rationale.
