

IDL- 61 Retailer Agreement for Sale of Lottery Tickets

This agreement, between the Illinois Department of the Lottery ("Lottery") and the business entity named on Page 1, Step 1, of the companion, executed Form IDL-30, Retailer Contract for Sale of Lottery Tickets, together with its owners and officers, members or partners named on Page 2, Step 2, of that form (collectively, the "Retailer"), is effective on the date signed on behalf of the Lottery and will continue so long as the Retailer holds a valid license to sell Lottery products. The parties agree as follows:

I. LICENSE RETENTION REQUIREMENTS:

- A. The Lottery sales license ("License") is issued to Retailer, for a specified point of sale, on the condition that the Retailer maintains eligibility under the Illinois Lottery Law, 20 ILCS 1605, ("Lottery Law"), Lottery Regulations (Title 11, Subtitle C, Chapter II, Parts 1700.10 *et seq.* and 1770.10 *et seq.*, Illinois Administrative Code) (the "Lottery Regulations"), and other rules or directives issued by the Lottery ("Lottery Rules"), all as amended or supplemented from time to time.
- B. The License may not be sold, transferred or assigned by the Retailer.
- C. New Retailers are considered probationary for the first three months. At the end of the three-month probationary period, the Retailer will be recommended for (i) end of probationary period, (ii) another three-month probationary period, or (iii) termination, based upon compliance with Lottery requirements, instructions, sales levels and the sufficiency of location to serve the public's convenience.
- D. No Retailer may offer any other type of gambling or gaming tickets or chances other than those for which the Retailer is licensed, under Illinois Lottery Law, or by other department, board, or commission of the State of Illinois.
- E. The Retailer's License and any placards or brochures stating odds for Lottery games must be displayed in a conspicuous place on the business premises specified in the License.
- F. Retailer's must actively work to promote the sale of Lottery tickets. The Retailer must maintain and display the current promotional materials in a prominent location, visible to the public.
- G. Retailers are expected to maintain a sales level comparable to existing similar Retailers in their regional area after the end of their probationary period. Retailers not achieving the comparable sales level may be given advance notice to raise their sales level or have their terminal removed and License terminated.
- H. A minimum number of instant games determined by the Lottery must be prominently displayed in a combination of price points, play styles, and book values prescribed by the Lottery.
- I. Each Retailer will be held responsible for all instant game tickets accepted from the Lottery and all other Lottery tickets dispensed, printed, or issued by or through any Lottery equipment provided to Retailer. Unsold instant game tickets and receipts from sales, minus commissions and prizes paid in accordance with the Lottery Rules, must be returned to the Lottery by the stated settlement deadlines. Instant game tickets not returned by the deadline shall be considered purchased by the Retailer.
- J. The Retailer may not sell a Lottery ticket or share at a price greater than fixed by Lottery Rules; however, the Lottery may authorize a promotion in support of Lottery marketing activities. The Retailer may not assess a "credit card processing fee," "service charge" or "handling fee" for the sale of Lottery tickets and may not charge a fee to redeem winning tickets.
- K. Unless permitted by the Lottery, the Retailer must offer other goods or services for sale at the business location specified in the License. No License will be granted to a person to engage in business exclusively as a Lottery Retailer unless permitted by the Lottery.

IDL – 61 Retailer Agreement for Sale of Lottery Tickets

- L. The Retailer may sell Lottery tickets only on a face-to-face or authorized dispensing machine basis and only on the business premises designated in the License. The Retailer may not sell tickets to off-premises customers by telephone, mail, parcel delivery service, or through a Retailer-sponsored vehicle such as a club, players' association, or similar entity.
- M. **The Retailer may not sell Lottery tickets or shares to anyone under the age of 18 or pay prizes to anyone under the age of 18.** The Lottery strongly recommends that only individuals 18 years or older sell Lottery tickets. However, there is presently no law prohibiting ticket sales by individuals under the age of 18 so long as applicable labor laws are followed.
- N. **If sufficient funds are on hand, the Retailer must redeem all winning tickets presented to the Retailer for cash or ticket prizes of \$599 or less.** Retailer shall not redeem winning tickets valued at more than \$600 but shall follow established claim procedures. The Lottery will not reimburse Retailer and Retailer is responsible for the amounts of any ticket prize payments made by the Retailer in error.
- O. The Retailer will segregate from all of its other business receipts and funds and hold in trust all proceeds from Lottery sales, which the Retailer will deposit in a separate Lottery trust fund account in a bank or other financial institution from which the Retailer will pay to the Lottery the full amount due in accordance with the procedures established by the Lottery.
- P. The Retailer will attend all required training sessions as directed by the Lottery, ensure that all employees selling Lottery tickets are properly trained, and assume total responsibility for errors made by the Retailer's employees.
- Q. If directed by the Lottery, the Retailer will secure a security deposit or bond at its own expense in a method of payment acceptable to the Lottery, in the amount directed by the Lottery. The Lottery may also require a financial statement regarding the financial condition of the Retailer.
- R. If directed by the Lottery, the Retailer for itself and for its officers and employees assumes responsibility for reading and being fully knowledgeable of available game play instructions.
- S. If granted a License, the Retailer will furnish electrical service and space for installation of the on-line terminal as specified by the Lottery. The Retailer will not move the on-line terminal without the prior approval of the Lottery. The Retailer will use every reasonable effort to provide an appropriate installation site for necessary components of the communication system, including securing permission from the Retailer's landlord if necessary.
- T. The Retailer will immediately report any "out of order" conditions of Lottery terminals or other equipment to the Lottery or its designated vendors, pursuant to the Lottery's instructions.
- U. The Retailer will immediately report to the Lottery the loss or theft of any Lottery tickets consigned to the Retailer, with the ticket identification numbers, and will also immediately report the loss or theft of any Lottery equipment or supplies.

II. CHANGE IN OWNERSHIP OR OPERATIONS:

- A. The Retailer will notify the Lottery in writing 30 days in advance of any change in ownership of the Retailer except to the extent the change occurs as a result of the transfer of interest in publicly traded securities, in which case the reporting must occur within 30 days after the transfer or at the time that any reporting of the ownership interest must be made to the federal Securities and Exchange Commission, whichever is earlier. Reporting may be accomplished by completing a Lottery form provided for such purpose or by mailing notice of the proposed change by certified mail, return receipt requested, postmarked on or before the 30th day prior to the effective date of change.

IDL – 61 Retailer Agreement for Sale of Lottery Tickets

"Change of Ownership" means the transfer, in the aggregate, directly or indirectly, of more than 50% of the equity, management control, legal ownership or shares of stock of the Retailer designated in the License to individuals other than those already having an interest of 5% or more in the Retailer at the time of approval or renewal of the License.

Such notification shall be sent to:

**Illinois Lottery
Licensing Section
404 N 5th St.
Springfield, IL 62702**

- B. Unless otherwise provided by the Lottery Regulations, purchasers of businesses holding Lottery Licenses wishing the business to remain licensed must apply for a new Lottery License in advance of the ownership transfer. This application will be reviewed as a new application. **The award of a License to the business under new ownership is not guaranteed.**
- C. Since Lottery Licenses are not transferable or assignable by the Retailer, a business sold or transferred prior to re-issuance of a License to the business under new ownership will have all instant Lottery tickets, on-line games terminals, and any peripheral Lottery equipment removed from the premises.
- D. If a Retailer fails to notify the Lottery in writing of a Change of Ownership before such change occurs, all owners, officers, or other responsible persons named in the License application shall be liable to the Lottery for all tickets issued to or generated by the Retailer, and all proceeds from the sale of such tickets (less prizes paid and commissions due), to the date written notice of the change is received by the Lottery, or the date the Retailer's License is terminated by the Lottery, whichever occurs first.
- E. The Retailer will notify the Lottery at least 30 days prior to any proposed change in the point of sale designated in the License, Change of Name or Change of Business Organization.

"Change of Business Organization" Means a change from one form of organization and ownership of a business organization to another.

"Change of Name" Means a change in the corporation or doing business as name shown on the records of the Secretary of State, County Clerk, or both, in the license granted to the Agent and in the Agent's application for a license.

- F. The Retailer will maintain the hours of operation listed in Page 1, Step 1, Business Type and Details, of Form IDL-30, Retailer Contract for Sale of Lottery Tickets. In the event of a change in hours or days of operation, the Retailer shall promptly notify the Lottery by sending written notice to the address listed in Paragraph II.A above.

III. ADDITIONAL REQUIREMENTS:

- A. The Retailer will hold the Lottery, the State of Illinois and the Private Manager harmless with respect to any liability arising in connection with the Retailer's Lottery ticket sales activities.
- B. The Retailer will keep current and accurate records of all operations in conjunction with Lottery sales. Such records shall be made available to representatives of the Lottery or the State of Illinois upon request.
- C. The Retailer authorizes the Lottery to transmit important Lottery announcements to the Retailer via terminal message-email.

IDL – 61 Retailer Agreement for Sale of Lottery Tickets

D. The Lottery agrees with and represents to the Retailer that:

The Lottery will pay the Retailer a commission at such rate of the amount of all valid ticket sales as may be approved by the Lottery and communicated to the Retailer as well as any applicable bonus for winning tickets sold or redeemed by the Retailer at the rate approved by the Lottery and any additional cash bonuses or other incentives approved by the Lottery plus or minus adjustments including, but not limited to, a per-week service charge against an on-line Retailer's commission for applicable communications fees established pursuant to the Lottery Law and the Lottery Regulations. Retailers will be notified by the Lottery of changes to the commission rate, bonuses and incentives by means of a Retailer newsletter or other similar circular or via electronic messaging through the Retailer Lottery sales terminal.

E. Equipment necessary for the sale of on-line games and instant tickets will be provided to the Retailer at no cost.

F. Any on-line terminals, instant ticket dispensing machines, in-counter or on-counter dispensers, manuals, tapes, cards, computer printouts, ticket stock, and other items (collectively "the equipment") furnished to the Retailer in connection with its function as a Lottery Retailer shall always remain the sole property of the Lottery or its vendors. It is understood that the arrangement with respect to the equipment is not a lease but that the equipment is in the Retailer's custody solely as a Licensed Retailer. The Retailer is responsible for any loss or damage to the equipment for any reason beyond reasonable wear and tear, and insurance coverage on the part of the Retailer is strongly recommended. Neither the Lottery nor its vendors are liable for or responsible to the Retailer or any third parties because of the granting of the License or this agreement or for any other reason, including for the Retailer's use of the on-line terminal's age- verification features for the sale of any products or merchandise, except as otherwise specified in this agreement.

G. Retailer acknowledges that certain sales and marketing functions and operations of the Illinois Lottery are being conducted for the Lottery by the Private Manager pursuant to a management agreement with the Lottery (the "PMA") in accordance with the Lottery Law and, as such, is a vendor or contractor to the Lottery.

H. The Retailer agrees to comply with all federal and state laws, rules, and regulations that prohibit discrimination based on race, color, religion, national origin, age, or gender, and, where applicable, to comply with all laws, rules, and regulations requiring payment of prevailing wages.

I. The Retailer certifies that it will perform its duties pursuant to this agreement in compliance with the Americans with Disabilities Act of 1990 (42 USC 12101 et seq.) as it applies to the Retailer's business.

J. This agreement is not intended to contain all requirements, obligations or liabilities applicable to or imposed on Retailer under the Lottery Law, the Lottery Regulations and the Lottery Rules. In the event of any conflict or inconsistency between this agreement and the Lottery Law, the Lottery Regulations and the Lottery Rules, the provisions of the Lottery Law, the Lottery Regulations and the Lottery Rules shall prevail and control. Retailer is required to always comply with all applicable provisions of the Lottery Law, the Lottery Regulations and other Lottery Rules, and to cooperate with the Lottery's vendors, including the Private Manager in the performance of its functions under the PMA, in all aspects of its Lottery operations. Step 3: Complete the Applicant's Criminal Background Information

Please answer the following – A background investigation is conducted for the applicant and each owner/officer/partner/member (a “principal”) of the applicant business, if an entity, as part of the Retailer Licensing/Approval process. If you or, if the applicant is an entity, the applicant or any other principal of the business/applicant have been convicted of any offense defined in or under the Illinois Criminal Code or the criminal code of any other State, or of a criminal offense under any federal law, you must submit a separate statement setting forth the name of the offender, the nature of the offense, the state and county or federal court in which the criminal conviction occurred, the date of the conviction, the sentence, and any other information you may wish to add. Further, you must submit a statement if anyone listed on the Retailer licensing application has ever been found guilty of fraud or misrepresentation, has been a gambling promoter or professional gambler, or has been engaged in bookmaking or other forms of illegal gambling. A criminal conviction does not automatically mean this application will be denied. However, concealment of a criminal record may result in denial of the application or in a subsequent license suspension or revocation. The Lottery will compare the information you give with criminal records maintained by federal and state law enforcement agencies.

Please check the appropriate box.

A separate statement describing any criminal conviction is attached.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

must obtain your correct taxpayer identification number (TIN), which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid).
- Form 1099-DIV (dividends, including those from stocks or mutual funds).
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds).
- Form 1099-NEC (nonemployee compensation).
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers).
- Form 1099-S (proceeds from real estate transactions).
- Form 1099-K (merchant card and third-party network transactions).
- Form 1098 (home mortgage interest), 1098-E (student loan interest), and 1098-T (tuition).
- Form 1099-C (canceled debt).
- Form 1099-A (acquisition or abandonment of secured property).

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

Caution: If you don't return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued);
2. Certify that you are not subject to backup withholding; or
3. Claim exemption from backup withholding if you are a U.S. exempt payee; and
4. Certify to your non-foreign status for purposes of withholding under chapter 3 or 4 of the Code (if applicable); and
5. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting is correct. See *What Is FATCA Reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding. Payments made to foreign persons, including certain distributions, allocations of income, or transfers of sales proceeds, may be subject to withholding under chapter 3 or chapter 4 of the Code (sections 1441–1474). Under those rules, if a Form W-9 or other certification of non-foreign status has not been received, a withholding agent, transferee, or partnership (payor) generally applies presumption rules that may require the payor to withhold applicable tax from the recipient, owner, transferor, or partner (payee). See Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*.

The following persons must provide Form W-9 to the payor for purposes of establishing its non-foreign status.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the disregarded entity.
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the grantor trust.
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust and not the beneficiaries of the trust.

See Pub. 515 for more information on providing a Form W-9 or a certification of non-foreign status to avoid withholding.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person (under Regulations section 1.1441-1(b)(2)(iv) or other applicable section for chapter 3 or 4 purposes), do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515). If you are a qualified foreign pension fund under Regulations section 1.897(l)-1(d), or a partnership that is wholly owned by qualified foreign pension funds, that is treated as a non-foreign person for purposes of section 1445 withholding, do not use Form W-9. Instead, use Form W-8EXP (or other certification of non-foreign status).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a saving clause. Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if their stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first Protocol) and is relying on this exception to claim an exemption from tax on their scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include, but are not limited to, interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third-party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester;
2. You do not certify your TIN when required (see the instructions for Part II for details);
3. The IRS tells the requester that you furnished an incorrect TIN;
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only); or
5. You do not certify to the requester that you are not subject to backup withholding, as described in item 4 under "*By signing the filled-out form*" above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier.

What Is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all U.S. account holders that are specified U.S. persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you are no longer tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

• **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note for ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040 you filed with your application.

• **Sole proprietor.** Enter your individual name as shown on your Form 1040 on line 1. Enter your business, trade, or "doing business as" (DBA) name on line 2.

• **Partnership, C corporation, S corporation, or LLC, other than a disregarded entity.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

• **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. Enter any business, trade, or DBA name on line 2.

• **Disregarded entity.** In general, a business entity that has a single owner, including an LLC, and is not a corporation, is disregarded as an entity separate from its owner (a disregarded entity). See Regulations section 301.7701-2(c)(2). A disregarded entity should check the appropriate box for the tax classification of its owner. Enter the owner's name on line 1. The name of the owner entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For

example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, enter it on line 2.

Line 3a

Check the appropriate box on line 3a for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3a.

IF the entity/individual on line 1 is a(n) . . .	THEN check the box for . . .
• Corporation	Corporation.
• Individual or • Sole proprietorship	Individual/sole proprietor.
• LLC classified as a partnership for U.S. federal tax purposes or • LLC that has filed Form 8832 or 2553 electing to be taxed as a corporation	Limited liability company and enter the appropriate tax classification: P = Partnership, C = C corporation, or S = S corporation.
• Partnership	Partnership.
• Trust/estate	Trust/estate.

Line 3b

Check this box if you are a partnership (including an LLC classified as a partnership for U.S. federal tax purposes), trust, or estate that has any foreign partners, owners, or beneficiaries, and you are providing this form to a partnership, trust, or estate, in which you have an ownership interest. You must check the box on line 3b if you receive a Form W-8 (or documentary evidence) from any partner, owner, or beneficiary establishing foreign status or if you receive a Form W-9 from any partner, owner, or beneficiary that has checked the box on line 3b.

Note: A partnership that provides a Form W-9 and checks box 3b may be required to complete Schedules K-2 and K-3 (Form 1065). For more information, see the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

If you are required to complete line 3b but fail to do so, you may not receive the information necessary to file a correct information return with the IRS or furnish a correct payee statement to your partners or beneficiaries. See, for example, sections 6698, 6722, and 6724 for penalties that may apply.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) entered on the line for a FATCA exemption code.

M—A tax-exempt trust under a section 403(b) plan or section 457(g) plan.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, enter "NEW" at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have, and are not eligible to get, an SSN, your TIN is your IRS ITIN. Enter it in the entry space for the Social security number. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/EIN. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or Form SS-4 mailed to you within 15 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and enter "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, you will generally have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon. See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier, for when you may instead be subject to withholding under chapter 3 or 4 of the Code.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third-party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information, such as your name, SSN, or other identifying information, without your permission to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax return preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity, or a questionable credit report, contact the IRS Identity Theft Hotline at 800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 877-777-4778 or TTY/TDD 800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Go to www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and territories for use in administering their laws. The information may also be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payors must generally withhold a percentage of taxable interest, dividends, and certain other payments to a payee who does not give a TIN to the payor. Certain penalties may also apply for providing false or fraudulent information.
