

What is Fast Play?

Fast Play® offers a new and exciting way to play from the Illinois Lottery! Fast Play games are quick and easy draw games purchased through an Illinois Lottery terminal or lottery vending machines, wherever the Illinois Lottery is sold. Every Fast Play ticket is generated at the time of purchase with a set of numbers and/or symbols printed on it, depending on the game selected. Fast Play games are offered at various price points and feature various play styles to appeal to all types of players. With Fast Play, there are no numbers to pick, no play slip to complete, no scratching, and no waiting for winning numbers. You can win any prize, any time, from any Illinois Lottery retailer State-wide.

How do I play Fast Play?

It's easy! Fast Play games can be purchased in-store anywhere the Illinois Lottery is sold. To purchase, ask for them directly from your retailer or follow the prompts on the lottery vending machine. Your ticket is generated upon purchase and will contain play instructions, as well as game numbers and symbols, depending on the game you have selected. Play your game to find out if you have won instantly. **It's that simple.**

What types of Fast Play games are available for me to play?

There is a theme and price point for every type of player! Fast Play games offer a variety of prizes and play styles. Fast Play Progressive games play like a traditional Fast Play game, but feature a rolling jackpot that is updated every 2 minutes. There is no wait for winning numbers; these jackpots can be won anytime. In Fast Play Progressive games, the jackpot begins at a set minimum and grows with each ticket sold State-wide, until someone wins. After the jackpot is won, it immediately resets to the minimum jackpot amount. The fun never stops!
