VENDING MACHINE REDEMPTION CHANGE

In **December 2025** the amount a player can redeem when using the vending machine increased from \$100 to \$200. This means that winning tickets valued at up to \$200 can be redeemed for additional play at the vending machine without going back to the counter.

Tickets can be ordered through the Retailer Hotline at 1-844-806-8930. May Instant Tickets will be supported with a tip card and a new games counter decal.

HOTWINS® OVERVIEW

With drawings every 4 minutes*, HotWins is all action, all the time. To play, players need to follow these 3 simple steps:

1 Player selects the numbers they want to play, which also determines their odds profile. Choosing **TWO NUMBERS** has the best odds to win!

2 Player selects their wager amount to determine the applicable prize pool.

3 Player selects the number of consecutive draws they would like to play.

NOTE: The cost of the ticket is dependent on the number of consecutive draws and the wager amount the player chooses, NOT how many numbers they play.

* Except during Night Mode hours. See IllinoisLottery.com for details.
